Four exciting matches delivered drama, skill, and a standout Tigres hat trick as the tournament roars to life

(FORT LAUDERDALE, FLORIDA — December 5, 2025): The World Sevens Football tournament kicked off its highly anticipated second edition with a spectacular first day full of excitement, skill, and plenty of goals. **Across four electrifying matches, 21 goals were scored, and every team found the back of the net**, setting a thrilling tone for the weekend ahead.

Flamengo, Club América, Tigres, and San Diego Wave all claimed victories, while Kansas City Current, Deportivo Cali, AFC Toronto, and Club Nacional fought valiantly but fell short in tightly contested battles. One of the standout performances came from **María Sánchez, who scored a brilliant hat trick** to lead Tigres to a 3–2 victory over AFC Toronto in a match that showcased the fast-paced, skillful nature of the 7v7 format.

San Diego Wave coach Jonas Eidevall praised the unique challenge and energy of the tournament, saying, “I think the players feel a little bit different. Some love it, and for some, it’s a little bit harder for them, but you can see the smiles on their faces. It brings out a different version of yourself.”

Meanwhile, Tigres star María Sánchez reflected on the surreal experience, “This has been amazing. I don’t think I could have written it out any better than how it is going. Two weeks ago, we were winning a championship, and now we’re here enjoying this. It has been surreal.”

Fans both in the stands and around the world can expect more edge-of-the-seat action as the teams battle for glory and a share of the \$5 million prize pool.
